« Le modelé du bronze garde à jamais l’empreinte de la main qui l’a créé.
C’est la raison pour laquelle cette matière m’inspire autant.
Le bronze fait écho aux grands sculpteurs qui l’ont sublimé et m’invite à créer des objets
intemporels qui s’inscrivent dans un décor aussi bien classique que contemporain. »

The hand that shapes the mold leaves an imprint the bronze will forever keep.
That is the reason why this material is such a source of inspiration to me.
Creating objects made of bronze encourages me to echo the works of great sculptors that have
ennobled this material and allows me to manufacture a wide range of timeless objects
that can fit in any decor, from classic to contemporary.

Nuancier Abat-jour | Color chart for Shades

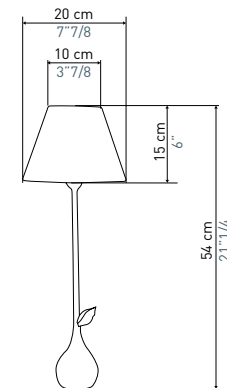

A modern table lamp is the central focus. It has a dark, textured base that is wider at the bottom and tapers slightly. A large, dark, circular ring is positioned in the middle of the base. A white, conical lampshade is attached to the top of the ring. The lamp is sitting on a dark, textured surface. In the background, there is a window with light coming through, and two framed pictures on the wall. The text "Lampes | Table lamps" is overlaid in the center of the image.
